

Neolife

The hose with **patented technology** that **prevents knots and kinks** in your garden. Unique manageability and flexibility. Thanks to its braided textile reinforcement and latex-like materials, it prevents the formation of knots and kinks during use.

Features

- Anti-UV, low footprint, recycled material.
- High resistance to breakage under elongation, kinks, and twists.
- Hard to kink, yet very flexible and manageable.
- Withstands temperatures between -20°C to +60°C.
- Pipe with good chemical resistance, associated with the usual properties of PVC.
