

Washing Machine Drain

Drain for washing machines and dishwashers. Polypropylene hose with connections in thermoplastic rubber.

Features

- Highly flexible and easy to use.
- 100% recyclable.
- Injected connectors, made from thermoplastic rubber, in the hose to ensure it is perfectly watertight.
- Good chemical resistance associated with polypropylene's resistance chart. Especially to bleaches, detergents and hypochlorites.
- Withstands temperatures between -10°C and 90°C.
